

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-490-3636. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms see the Glossary. You may view the Glossary at healthcare.gov/sbc-glossary or call 1-877-490-3636 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Tier 1--\$0 Tier 2--Single Plan: \$250 employee Family Plan: \$250 person/\$500 family Tier 3--Single Plan: \$500 employee Family Plan: \$500 person/\$1,000 family	Tier 1--See the Common Medical Events chart below for your costs for services this plan covers. Tiers 2 & 3--Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Tier 1: not applicable—there is no <u>deductible</u> . Tier 2: <u>preventive services</u> and physician office visits are some of the services covered before you meet your <u>deductible</u> .	Tiers 2 & 3--This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> , without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Tiers 1 & 2--Single Plan: \$1,250 employee Family Plan: \$1,250 person/\$2,500 family Tier 3--Single Plan: \$3,000 employee Family Plan: \$3,000 person/\$6,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> is met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See healthplansinc.com/CHA or call 1-877-490-3636 for a list of <u>network providers</u> .	You pay the least if you use a Tier 1 <u>provider</u> . You may pay more if you use a Tier 2 <u>provider</u> . You pay the most if you use an <u>out-of-network provider</u> (Tier 3) and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You may see a <u>specialist</u> you choose without a <u>referral</u> .
