

Condition Management Programs for Your Health

Are you living with a chronic condition?

Take better control of your health and well-being with the AchieveHealth® Condition Management program. The program is:

- **Free for eligible members**
- **Voluntary**
- **Confidential**

AchieveHealth®

Program Features

With **AchieveHealth**, you'll receive on-going:

- ✓ One-to-one nursing support with a dedicated nurse
- ✓ Telephonic coaching
- ✓ Interactive online tools and educational materials

Support is available for the following conditions:

- Asthma
- Coronary Artery Disease
- Chronic Obstructive Pulmonary Disease (COPD)
- Congestive Heart Failure
- Diabetes

Personalized Support

Individualized Approach

Your nurse will help you to:

- Develop a personalized self-management care plan
- Stay informed with the most current information about your condition

Coordinated Care

You can choose to:

- Have your nurse follow-up with your doctors directly
- or*
- Receive information and recommendations from your nurse on what to discuss at your next visit – it's up to you!

Better manage your condition and improve your quality of life.
